4. Independent Contractor. The Contractor's services shall be furnished by the Contractor as an independent contractor and nothing herein contained shall be construed to create a relationship of employer/employee or master/servant.

The Contractor acknowledges that the entire compensation for this Agreement is specified in Attachment B and the Contractor is not entitled to any County benefits including, but not limited to: vacation pay, holiday pay, sick leave pay, medical, dental or other insurance benefits, or any other rights or privileges afforded to Clallam County employees. 8. Modifications. Either party may request changes in the Agreement. Any and all agreed modifications shall be in writing, signed by each of the parties.
9. Termination for Default. If the Contractor defaults by failing to perform any of the obligations of the contract or becomes insolvent or is declared bankrupt or makes an assignment for the benefit of creditors, the County may, by depositing written notice to the Contractor in the U.S. Mail, postage prepaid, terminate the contract, and at the County's option, obtain performance of the work elsewhere. If the contract is terminated for default, the Contractor shall not be entitled to receive any further payments under the contract. Any extra cost or damage to the County resulting from such default(s) shall be deducted from any money due or coming due to the Contractor. The Contractor shall bear any extra expenses incurred by the County in completing the work, and all damage sustained, or which may be sustained by the County by reason of such default.

If a notice of termination for default has been issued and it is later determined for any reason that the Contractor was not in default, the rights and obligations of the parties shall be the same as if the notice of termination had been issued pursuant to the Termination for Public Convenience paragraph hereof.
10. Termination for Public Convenience. The County may terminate the contract in whole or in part whenever the County determines, in its sole discretion, that such termination is in the interests of the County. Whenever the contract is terminated in accordance with this paragraph, the Contractor shall be entitled to payment for actual work performed for completed items of work. An equitable adjustment in the contract price for partially completed items of work will be made, but such adjustment shall not include provision for loss of anticipated profit on deleted or uncompleted work. Termination of this contract by the County at any time during the term, whether for default or convenience, shall not constitute a breach of contract by the County.
11. Termination Due to Insufficient Funds. If sufficient funds for payment under this contract are not appropriated or allocated or are withdrawn, reduced, or otherwise limited, the County may terminate this contract upon five (5) days written notice to the Contractor. No penalty or expense shall accrue to the County in the event this provision applies.
12. Termination Procedure. The following provisions apply in the event that this Agreement is terminated:
 - (a) The Contractor shall cease to perform any services required hereunder as of the effective date of termination and shall comply with all reasonable instructions contained in the notice of termination, if any.

- (b) The Contractor shall provide the County with an accounting of authorized services provided through the effective date of termination.
 - (c) If the Agreement has been terminated for default, the County may withhold a sum from the final payment to the Contractor that the County determines necessary to protect itself against loss or liability.

14. Industrial Insurance Waiver. With respect to the performance of this Agreement and as to claims against the County, its appointed and elected officers, agents and employees, the Contractor expressly waives its immunity under Title 51 of the Revised Code of Washington, the Industrial Insurance Act, as now or hereafter amended, for injuries to its employees and agrees that the obligations to indemnify, defend and hold harmless provided in this Agreement extend to any claim brought by or on behalf of any employee of the Contractor. Along with the other provisions of this Agreement, this waiver is mutually negotiated by the parties to this Agreement.
15. Venue and Choice of Law. In the event that any litigation should arise concerning the construction or interpretation of any of the terms of this Agreement, the venue of such action shall be in the courts of the State of Washington in and for the County of Clallam. This Agreement shall be governed by the law of the State of Washington.
16. Withholding Payment. In the event the Project Manager determines that the Contractor has failed to perform any obligation under this Agreement within the times set forth in this Agreement, then the County may withhold from amounts otherwise due and payable to Contractor the amount determined by the County as necessary to cure the default, until the Project Manager determines that such failure to perform has been cured. Withholding under this clause shall not be deemed a breach entitling Contractor to termination or damages, provided that the County promptly gives notice in writing to the Contractor of the nature of the default or failure to perform, and in no case more than 10 days after it determines to withhold amounts otherwise due. A determination of the Project Manager set forth in a notice to the Contractor of the action required and/or the amount required to cure any alleged failure to perform shall be deemed conclusive, except to the extent that the Contractor acts within the times and in strict accord with the provision of the Disputes clause of this Agreement. The County may act in accordance with any determination of the County Project Manager, which has become conclusive under this clause, without prejudice to any other remedy under the Agreement, to take all or any of the following actions: (1) cure any failure or default, (2) to pay any amount so required to be paid and to charge the same to the account of the Contractor, (3) to set off any amount of paid or incurred from amounts due or to become due the Contractor. A commitment includes, but is not limited to any representation made prior to execution of this Agreement, whether or not incorporated elsewhere herein by reference, as to performance of services or equipment, prices or options for future acquisition to remain in effect for a fixed period, or warranties.
