Notice of Development of the 2025-2030 Local 5-Year Homeless Housing Plan

Clallam County Health & Human Services is initiating the development of a Comprehensive Local 5-year Homeless Housing Plan aimed at addressing homelessness in our community. This plan will serve as a strategic framework to enhance housing stability, improve access to essential services, and promote sustainable living conditions for individuals and families experiencing homelessness. Expected plan adoption by April 30, 2025. Public hearing date to be published 30 days prior to County Commissioners review and adoption of said plan.
