Empowering people with special needs.

Spring term of Mosaic's day programs started on April 15 and will run through June 28. Things to note about the term:

- We have an amazing Technology class that focuses on skills like keyboarding, web searching and basics of tablet & laptop use. There is still space for more participants in the class so if you are interested in joining, please contact us at info@clallammosaic.org.
- The Theater program just started a new cycle. The program is planned as a 1-year curriculum of classes with performances in the first half of 2020. This time around, the troupe of actors will bring adored Disney characters to the stage. The characters will serve as a tool to showcase valuable narratives, emotions, interests and abilities in the special needs community. If you are unable to attend all sessions of the program but want to participate, there may be an opportunity to schedule an audition and reserve a spot in the 2020 performances (requires attendance in a minimum of 1 session). To find out more, call us at 360.681.8642.

After the Spring term ends, we will hold a 2-week Intersession, followed by summer term from July 15 through August 23. Weekly field trips will once again be a part of the Summer term and we are currently figuring out ways to get our participants to places they do not get to go otherwise!

There are a few other activities/events to keep an eye out for:

Monthly Dances, Noon – 2 pm, St Andrew's Episcopal Church:

- May 18
- June 8

Parent to Parent's Parents Night Out, 5 pm:

- May 17, Sergio's, Port Angeles
- June 21, Baja Cantina, Sequim

Fundraising events:

- July 27, Bob Cup Golf Tournament, 7:30 am Dungeness Golf Course, Sequim
- October 26, Mosaic Masquerade, Elks Lodge, Port Angeles

Finally, we would like to send out a BIG thank you to all of our supporters who designated funds to Mosaic through the United Way's annual campaign. Because of the support of donors like you, we can continue to offer programs at low cost to our participants!

EMPLOYMENT FIRST

- * *Everyone can work and there is a job for everyone. Our job is to be creative and tenacious in providing support.*
- * *Not working should be the exception. All individuals, schools, families and businesses must raise their expectations.*
- * *People will be hired because of their ability not because they have a disability.*
- * *Communities embrace people who contribute.*
- * *Everyone has something to contribute and needs to contribute.*
- * *People are healthier, safer and happiest with meaningful work.*
- * *True employment is not a social service.*
