Date: March 9, 2021

Clallam County Board of Commissioners announced on March 2, 2021 its participation and proclamation of Developmental Disabilities Awareness Month. The purpose of Developmental Disabilities Awareness Month is to raise awareness and foster inclusion of people who experience developmental disabilities in all areas of community life, as well as an awareness that people with developmental disabilities continue to face barriers in fully connecting with the community in which they live. Developmental Disabilities Awareness Month highlights three main areas of our daily life: education, employment and community living.

If you have any questions regarding employment for those with developmental disabilities, you may contact Clallam County Health & Human Services ~ Developmental Disabilities at 360-417-2407.
