(WSBA Standards for County Law Libraries)

Function

As established by Washington State Law: "Each County with a population of eight thousand or more shall have a county law library..." (RCW 27.24.010).
RCW 27.24.067 states that: "the use of the county law library shall be free to the judges of the state, to state and county officials, and to members of the bar, and to such others as the board of trustees may by rule provide."

Trends/Events

2024 will benefit from the collective ideas that the Clallam County Law Library Board of Trustees bring to the many challenges of both - building on the range and quality of reference materials available - while also preserving those invested in over time. The Session Laws of Washington (1919) provided the funding mechanism to facilitate the task of developing county law libraries and the statutory outline for the provision of these funds remains much as originally outlined.

Goals

1. To paraphrase RCW 27.24.030, Powers of board, the ongoing goals to: make and enforce rules for their own procedure and for the government care and guidance of employees;
2. Employ a librarian and assistants and to prescribe their duties;
3. Purchase books, periodicals, and other property for the library;
4. Examine and approve for payment claims and demands payable out of the county law library fund.
