### **Request for Proposals: Hazard Mitigation Plan Update/Climate Resilience Planning Published Answers to Submitted Questions**

**Question 1: Does the scope of work for this project include updating the entire Multi-Jurisdiction Plan, including the base County plan and the other plans from the other jurisdictions listed on the front cover of the Plan?**

**Answer: Yes. The table of contents of the Multi-Jurisdiction, Hazard Mitigation Plan includes the Jurisdictional Annexes of those other jurisdictions' hazard mitigation plans and each of those plans are part of the published Plan. So, yes, the update to the Multi-Jurisdiction Plan would include updating everything contained in the Plan, including the Annexes to the Plan (City of Forks Jurisdiction Specific Annex, Jamestown S'Klallam Tribal Annex, City of Port Angeles Jurisdiction Specific Annex, City of Sequim Jurisdiction Specific Annex, Lower Elwha Klallam Tribal Annex, and the Special Hazard Districts Annex).**
