Publication of Local Voters' Pamphlet and Administrative Rules

[RCW 29A.32.230](#)

[RCW 29A.32.241](#)

Clallam County will publish a local voters' pamphlet for each election. All local jurisdictions in the county with measures or candidates on the ballot are automatically included. For the General Election, the Local Voters' Pamphlet will continue to be produced in conjunction with the State Voters' Pamphlet. All pamphlets will be available in both printed and electronic form on the elections website:

www.clallamcountywa.gov/elections.

Contents of the Clallam County Local Voters' Pamphlet shall include, but are not limited to:

- Official ballot title
- Explanatory statement
- "For" and "Against" statements, if submitted
- Committee contact information
- Candidate statements, information, and photos

The full text of a resolution calling for an election isn't printed in the Local Voters' Pamphlet. Resolutions are posted on the Auditor's website.

The Elections Division of the Auditor's Office will determine how the Local Voters' Pamphlet will be distributed, based on the size of the election and the number of jurisdictions participating. The Local Voters' Pamphlet may be distributed in any one of the following ways:

- By mail to all households (saturation)
- By mail to all registered voter households
- Included with the ballot and mailed to each registered voter

The intent of a printed voters' pamphlet and an online voters' guide is to provide citizens of Clallam County with informative, objective, consistent, and readable information regarding candidates and ballot measures.

These administrative rules set forth the manner and method in which a local voters' pamphlet is to be published and distributed. Rules are written in accordance with the provisions of [Chapter 29A, Section 32](#) of the Revised Code of Washington (RCW) authorizing the publication of a local voters' pamphlet.

These rules apply to all jurisdictions, candidates, and statement committees participating in a Clallam County election for which a local voters' pamphlet will be available.

The Elections Division will notify all jurisdictions within Clallam County of its intent to publish a local voters' pamphlet on a yearly basis.

Notification will be by email and will occur at least 90 days before the publication and distribution of the pamphlet.

Cost of Participating in an Election

[RCW 29A.32.270](#)

[RCW 29A.04.410](#)

Each jurisdiction is responsible for paying its proportionate share of election costs. Clallam County will bill the jurisdiction directly for these costs.

The State Auditor's Office has established uniform procedures for allocating election costs to each jurisdiction based upon its registered voter population as a percentage of registered voters in all jurisdictions participating in that election.

Election costs vary from one election to the next depending on a variety of factors. However, the number of participating jurisdictions and their respective size are the primary variables impacting costs. For example, an election shared by three jurisdictions will likely cost more per voter than an election shared by twenty-five jurisdictions.

Special Elections in February and April are often shared by a smaller number of jurisdictions; thus, the proportionate share of the cost is often significantly greater.

A specific cost or quote is difficult to provide in advance of an election. The cost allocation is dependent upon the number of jurisdictions and registered voters participating in the election. Estimates will be based on a reasonable range, taking into account historical information and specific known information about a particular election date.

The preparation of a local voters' pamphlet is an election cost. It is prorated, charged, and billed to local jurisdictions in the same manner as other election costs.

If a mandatory recount is required for a candidate in a jurisdiction, the cost of the recount is billed to the jurisdiction.

Submitting a Resolution and Ballot Title

Submittal Process for Resolutions

[RCW 29A.04.330](#)

Resolutions calling for an election by a jurisdiction shall be submitted on or before the resolution deadline established by state law. Resolutions calling for a special election in February or April must be submitted at least 60 calendar days prior to the election date. Resolutions calling for an election in conjunction with the Primary or General Election must be submitted by the established deadlines for those elections. See page 14 for resolution deadlines.

How to submit a resolution

To place a measure on the ballot, a resolution must be emailed by the deadline to elections@clallamcountywa.gov.

A **Resolution Cover Sheet** is required and **MUST** accompany each resolution. This cover sheet contains important contact information required by the Elections Division. A Resolution Cover Sheet is available on the Auditor's website: www.clallamcountywa.gov/elections under the "Ballot Measures" link.

Incomplete Submissions

Submitted resolutions not including all required items listed under Jurisdiction's Responsibility and Deadlines will be considered incomplete. A jurisdiction can submit missing items up until the submission deadline to make their packet complete. A resolution packet needs to be complete before the deadline to be eligible to appear on the ballot.

Ballot Titles for Local Measures

[RCW 29A.36.071](#)

For measures submitted to the voters of a city or town, the official ballot title is prepared by the city or town attorney. For measures submitted to the voters of a unit of local government other than a city or town (e.g. a county, fire district, or school district), the official ballot title is prepared by the Clallam County Prosecuting Attorney.

The format and content requirements for local measure ballot titles are very specific and must conform to state law. Each ballot title must contain:

- A statement of the subject matter not exceeding 10 words in length
- A concise description of the measure not exceeding 75 words in length
- A question

Resolutions submitted by jurisdictions that need a ballot title prepared by the Clallam County Prosecuting Attorney will be forwarded to that office.

Ballot Title Appeal

[RCW 29A.36.090](#)

Any person dissatisfied with the ballot title for a local measure written by the city/town attorney, or the Clallam County Prosecuting Attorney may appeal to the Clallam County Superior Court pursuant to RCW 29A.36.090.

Measure Statements and Committees

Explanatory Statement for Local Measure

[RCW 29A.32.241](#)

Each ballot title must be accompanied by an explanatory statement. The explanatory statement is prepared by the Clallam County Prosecuting Attorney for county measures and by the attorney for the jurisdiction submitting the measure if other than a county measure. All explanatory statements for city, town or district measures must be approved by the attorney of the jurisdiction submitting the measure.

The purpose of an explanatory statement is to state the effect of the proposed measure if approved by the voters. It must be impartial, written in clear and concise language, avoid the use of legal and technical terms whenever possible, and conform to the formatting requirements discussed below. If prepared by the jurisdiction, proof of approval by the jurisdiction's attorney must be received by the Elections Division either by cover letter or email.

If a jurisdiction does not have an approval letter from its attorney, or if a jurisdiction does not retain legal counsel, the statement shall be submitted to the Clallam County Prosecuting Attorney for review or preparation.

Length

Explanatory statements must be **200** words or less, in block paragraph form.

Each part of a hyphenated or slashed word will be counted as a separate word (Examples: "Around-the-corner" = 3 words; "and/or" = 2 words), with the exception of a numerical date range (e.g., 2024-2025).

Format

- Up to three paragraphs may be used.
- The Auditor's Office reserves the right to eliminate excessive paragraph returns if the statement does not fit within the space provided.
- Italics may be used to emphasize specific words or statements. Any other formatting, such as **bold**, ALL CAPS, or underlining is not allowed and will be changed to appear in *italics*.
- The use of lists, bullets, or tables is not allowed. Lists or bullets will be converted to a block paragraph, with a semicolon to separate each item.
- An explanatory statement shall limit the language to the proposition to which it pertains. It may not endorse, speak about, or advocate for or against another proposition or measure.

Explanatory statements shall be printed exactly as submitted and are not checked for accuracy by the Elections Division.

How to submit the explanatory statement

The explanatory statement must be emailed by the deadline to elections@clallamcountywa.gov. See page 14 for explanatory statement deadlines.

Establishing Committees “For” and “Against” a Local Measure

[RCW 29A.32.280](#)

For each measure from a jurisdiction that is included in the Local Voters’ Pamphlet, the legislative authority of that jurisdiction shall formally appoint, by the statutory deadline, committees “For” and “Against” the measure.

The jurisdiction shall appoint persons known to favor the measure to serve on the “For” committee and shall appoint persons known to oppose the measure to serve on the “Against” committee. An email address is required for each committee appointed for correspondence with the Elections Division.

Committee members must reside within the district they will be preparing statements “For” and “Against.”

Each committee shall consist of not more than three members; however, a committee may seek the advice of any other person or persons.

If such persons are not immediately known, the jurisdiction is encouraged to employ some formal means of notifying the public that members of the “For” and “Against” committees are being sought.

The jurisdiction is responsible for providing committee members with copies of instructions, specifications, and deadlines for all statements.

The committees are solely responsible for submitting their statements to the Elections Division by the deadline for that election. See page 14.

How to submit the committee appointment form

The committee appointment form must be emailed by the deadline to elections@clallamcountywa.gov. See page 14 for committee appointment deadlines. This form is available on the Auditor’s website: www.clallamcountywa.gov/elections under the “Ballot Measures” link.

Resubmitting the committee appointment form OR Changes to Committee Members

A jurisdiction may only change their committee appointments by resubmitting the appointment form in advance of the original deadline.

Appointments by the Auditor

If a jurisdiction fails to appoint “For” and “Against” committees by the deadline, the Auditor’s Office will seek out and, whenever possible, appoint up to three members to each committee.

If the jurisdiction has appointed one, two, or three members to a committee, the Auditor will consider the committee completed and formed. The Auditor will not seek or appoint additional members.

When the Auditor’s Office is responsible for appointing committees, it shall issue a media release and publish information on the auditor’s election website announcing the opportunity to form committees and provide statements.

Appointments will be made in the order that requests from qualified applicants are received by email. The email request must include the applicants name, voter registration address, phone number, and the district they wish to write a statement for. The Auditor will accept email requests for appointments as soon as the jurisdiction's deadline has passed.

How to submit a request for a committee appointment

The request must be emailed by the deadline to elections@clallamcountywa.gov. The deadline for an interested party to request a committee appointment is 12:00 noon on the date that "For" and "Against" statements are due. See Page 14.

Appointed committee members will be notified by email. The appointed committee must abide by the specified timelines for submitting statements for that election.

It is not the responsibility of the Auditor's Office to coordinate communication between committee members or to arbitrate disagreements among them.

The first person appointed by the Auditor's Office will be designated as the "1st Committee Member" and "spokesperson" for the committee.

How to submit a “For” or “Against” statement

The “For” or “Against” statement must be emailed by the deadline to elections@clallamcountywa.gov. See page 14 for “For” and “Against” statement deadlines.

Should the committee be unable to agree or if multiple statements are submitted, the statement submitted by the “1st Committee Member” will be the statement printed in the Local Voters’ Pamphlet.

If a committee member wishes to withdraw before a statement has been submitted, he or she must notify the Auditor's Office by email at least 24 hours prior to the submittal deadline for the statement. Should a committee member wish to withdraw after the statement has been submitted, the withdrawal will be honored provided at least one member remains on the committee.

Once statements have been submitted by email and a confirmation reply has been sent by the Auditor's Office, statements are considered final and may not be amended.

If no statement is produced, the auditor shall include a statement in the pamphlet stating that no person in the jurisdiction contacted the auditor to provide a statement, and there are no statements for that measure.

Report of Voters Participating in the General Election

[WAC 434-262-017](#)

Following certification of the general election each year, the County Auditor's Elections Division determines the number of voters participating in the General Election for each taxing district in the county and provides this number to each district. Districts may use that number to determine the number of votes required for bond and levy passage in the next year.

The report containing the number of voters participating in the General Election by district will also be published on the Auditor's website:

www.clallamcountywa.gov/elections.

Requirements for Passage of Levy or Bond

[WAC 434-262-017](#)

In compliance with WAC 434-262-017, the County Auditor is not responsible for determining minimum turnout or yes votes required for ballot measures and shall not determine if ballot measures meet requirements for passage.

Candidate Photo, Biography, and Statement

Submit your Local Voters' Pamphlet information online

The Local Voters' Pamphlet provides an opportunity for every candidate to publish a candidate statement, biographical information, photo, and contact information. Precinct Committee Officers do not have candidate statements.

Candidates will receive an email after their filing has been approved with a link to submit their statement and photo.

To meet the deadline, candidates should begin the upload process as early as possible after they file for office. There is no benefit to delaying. Local voters' pamphlet submissions are kept confidential. A candidate's submission will not be released until the deadline for submission of all statements has passed and the submissions have been approved by the Elections Division.

Any candidate who experiences technical problems should contact the Elections Division immediately. Technical difficulties will not excuse candidates from failing to meet the deadline.

Candidates may **NOT** submit a new statement for the General Election if they appear in the Primary. The same local voters' pamphlet information submitted will be used for both the Primary and the General Election.

Due dates for candidates filing as part of a special 3-day period are the same as apply to a regular candidate filing.

(1) Any person who uses registered voter data furnished under RCW 29A.08.720 for the purpose of mailing or delivering any advertisement or offer for any property, establishment, organization, product, or service or for the purpose of mailing or delivering any solicitation for money, services, or anything of value is guilty of a class C felony punishable by imprisonment in a state correctional facility for a period of not more than five years or a fine of not more than ten thousand dollars or both such fine and imprisonment, and is liable to each person provided such advertisement or solicitation, without the person's consent, for the nuisance value of such person having to dispose of it, which value is herein established at five dollars for each item mailed or delivered to the person's residence. However, a person who mails or delivers any advertisement, offer, or solicitation for a political purpose is not liable under this section unless the person is liable under subsection (2) of this section. For purposes of this subsection, two or more attached papers or sheets or two or more papers that are enclosed in the same envelope or container or are folded together are one item. Merely having a mailbox or other receptacle for mail on or near the person's residence is not an indication that the person consented to receive the advertisement or solicitation. A class action may be brought to recover damages under this section, and the court may award a reasonable attorney's fee to any party recovering damages under this section.

(2) Each person furnished data under RCW 29A.08.720 shall take reasonable precautions designed to assure that the data is not used for the purpose of mailing or delivering any advertisement or offer for any property, establishment, organization, product, or service or for the purpose of mailing or delivering any solicitation for money, services, or anything of value. However, the data may be used for any political purpose. Where failure to exercise due care in carrying out this responsibility results in the data being used for such purposes, then such person is jointly and severally liable for damages under subsection (1) of this section along with any other person liable under subsection (1) of this section for the misuse of such data.
