

## Lake Sutherland Management District 2 (LMD #2) Proposed Special Assessment Roll

The plan for proposed lake improvement and maintenance activities avoids adverse impacts on fish and wildlife and provides for measures to protect and enhance fish and wildlife as follows:

- a. Manage Eurasian watermilfoil and other non-native, invasive plants in Lake Sutherland to meet recreational and aesthetic needs, fish and wildlife habitat requirements and ecosystem and groundwater concerns.
- b. Employ best practices based on environmental safety and efficacy.
- c. Monitor the level of Eurasian watermilfoil and other non-native, invasive plants and recommend and implement action to control and eradicate it within Lake Sutherland.
- d. Maintain an advisory committee of property owner's representatives to direct the efforts and funds of the LMD under county guidelines.
