November General Election Logic and Accuracy Tests Scheduled

CLALLAM COUNTY – The Clallam County Elections Division will perform the County's official Logic and Accuracy Test of our ballot tabulation system on October 7, 2024, at 10:00 AM. Testing of the Accessible Voting Unit (AVU) will be conducted on October 4, 2024, at 9:00 AM. The official testing will take place in the Elections Center located on the lower level of the Clallam County Courthouse, 223 E 4th St, Room 072, Port Angeles, WA.

Logic and accuracy testing is a standard pre-election procedure. Clallam County Elections conducts the testing to ensure the AVU and tabulation system (hardware and software) function properly and are accurately programmed for each election. A representative of the Office of the Secretary of State will also be in attendance on October 7.

The testing is open to the public, with limited in-person observation space available. We will be livestreaming the testing for anyone who would like to observe virtually. To view the livestream, visit the Clallam County Elections website at www.clallamcountywa.gov/elections.

Ballots will be mailed to registered voters on Wednesday, October 16, 2024. Election Day is Tuesday, November 5, 2024.
