

Sheriff - Search and Rescue 00100.814.

Mission Statement

The Clallam County Sheriff's Office has a proactive commitment to providing honest, ethical, and quality service to the community with integrity and professionalism. This commitment is focused on the improvement of quality of life for those we serve by delivering the highest possible standard of law enforcement services.

Function

Clallam County Sheriff's Office Search and Rescue is comprised of mostly civilian volunteers who are dedicated to safely and efficiently respond to emergency situations involving lost, overdue, or imperiled persons requiring emergency help/response. The rapid deployment of skilled personnel at any time day or night, in fair, foul, or extreme weather is the task of the Clallam County Sheriff's Search and Rescue (CCSSAR). When incidents occur, every effort is made to bring together all the critical elements of the search and rescue mission rapidly, effectively and safely. SAR members are trained to assist law enforcement in searching crime scenes that would be an encumbrance to those agencies to include large outdoor scenes, miles or roadway, or over cliffs.

Trends/Events

Search and Rescue has seen an increase in call outs over the past few years for three reasons. The first is due to weather events. During the last two snow storms Search and Rescue had several call outs to rescue individuals who found themselves stranded or lost due to the snow. The second is the increase of evidence searches for local law enforcement to include two homicides and a robbery. The third is due to the Covid-19 pandemic. Because the majority of indoor activities are closed, more and more citizens are looking to outdoor activities for their mental health, exercise, and inexpensive new hobbies with little or no experience.

Training and public education events were scheduled to increase in 2020 since the implementation of the Clallam County Search and Rescue Academy and SAR team members assisting to train Clallam County Community Emergency Response Teams (CERT). However, during the Covid-19 pandemic, several of these events have been cancelled.

Goals

1. Maintain sufficient personnel to provide a safe and timely response to any and all emergency SAR missions. Continue to recruit qualified volunteer candidates into the SAR unit.

2. Continue to recruit qualified SAR volunteers through continuing Public Education Campaigns.
3. Ensure that all SAR personnel are provided the uniforms, equipment, and training necessary to carry out SAR missions safely and efficiently.
4. Ensure that all SAR personnel are given the opportunity to attend certified training events and conferences such as the Washington State SAR Conference.
5. Participate in public education projects to promote wilderness and outdoor safety including: County Fair, 4th of July Parades, Joyce Blackberry Festival Parade.
6. Ensure SAR personnel have the opportunity to meet Washington State SAR Core Competency standards.
7. Acquire SAR response vehicle to replace aging SAR fleet.
