- Complete performance of such part of the work as shall not have been terminated by OSOS; and
- Take such action as may be necessary, or as OSOS may direct, for the protection and preservation of the property related to this contract which is in the possession of the County and in which OSOS has or may acquire an interest.

XV. SAVINGS

In the event funding from federal, state or other sources is withdrawn, reduced, or limited in any way after the effective date of this Agreement and prior to normal completion, OSOS may terminate the contract under the "Termination for Convenience" clause, without the 30-day notice requirement, subject to renegotiation under those new funding limitations and conditions.

Each party shall make a good faith effort to negotiate a resolution of any disputes between the parties related to this Agreement. In the event of litigation or other action brought to enforce Agreement terms, each party shall bear its own attorneys' fees and costs. Nothing in the Agreement shall be construed to limit the parties' choice of a mutually acceptable Alternate Dispute Resolution method in addition to the dispute resolution procedure outlined above.
