

## Winter Travel Survival Kit

*Put the following items in your car before winter. If you become stranded during the winter these items will make you more comfortable until you are rescued:*

- Blankets and/or sleeping bags
- High calorie, non-perishable food
- Several bottles of water
- Flashlight with extra batteries
- First aid kit
- Knife
- Extra clothing to keep dry
- Coffee can "portapotty" containing plastic bags, toilet paper and hand sanitizer
- A smaller can and water-proof matches to melt snow for drinking water
- Bag of sand (or cat litter) for generating traction under wheels
- Vehicle chains
- Shovel
- Windshield scraper and brush
- Tool kit
- Tow rope
- Booster cables
- Compass
- Road Maps
- Extra newspaper for insulation
- Emergency/survival candles in a metal can or other fireproof container.
- Cards, games, and puzzles
- A brightly colored cloth to tie to the antenna

*Keep your gas tank full for emergency use and to prevent the fuel line from freezing. It doesn't cost any more to ride on the top half of the tank than the bottom half.*
