

RAINSHADOW DISC GOLF PARK

Disc golf is played like ball golf, except you're using a flying disc. One stroke is counted each time the disc is thrown. The object is to acquire the lowest possible score.

- 1. TEE-OFF** – Tee throws must be completed within or behind the designated tee area.
- 2. PUTTING** – Within 10 meters (32 feet, 10 inches) of the target, a player may not step past the point of his or her lie while putting. Falling or jumping is not permitted.
- 3. THROWING ORDER** – After teeing off, the player whose disc is farthest from the hole always throws first. The player with the fewest number of throws on the previous hole is the first to tee off on the next hole.
- 4. COMPLETION OF HOLE** – A disc that comes to rest in the basket or chains, not on top of the target or wedged in the outside of the basket, constitutes successful completion of that hole.
- 5. DISCS ABOVE PLAYING SURFACE** – If a disc comes to rest above the playing surface in a tree or other object, its lie shall be marked on the playing surface directly below with no penalty.
- 6. COURSE COURTESY** – Do not throw until the players ahead of you are out of range. Call "FORE" immediately if you think your disc might hit someone.
- 7. ADDITIONAL CONSIDERATIONS** – Let's keep this park looking nice! Don't litter. Pack out your own trash. If you see trash please pick it up. Also, to reduce the chance of losing discs, use a spotter as often as possible to watch for disc landings.
