MyBallot	319
Other online programs	0
PDF originating from county	0
Non-UOCAVA ballots issued electronically	0

##### AutoMark®

Estimated number of AutoMark® voters	0
--------------------------------------	---

#### Category discrepancy explanation

During tabulation there was one extra ballot discovered in a batch. Elections staff re-counted the envelopes from that batch, verified all voters in the batch had credit for voting, and talked with the staff on the opening board who opened the batch. The opening board believed that there were two ballots in one envelope, but since the extra ballot wasn't noted until tabulation, there was no way determine conclusively who sent in the extra ballot.
