Non-UOCAVA ballots issued electronically	19

AVU

Estimated number of paper ballots printed by AVU	0
--	---

Category discrepancy explanation

VoteWA discrepancy explanation

Due to a system issue, an underage voter was issued a ballot. This ballot was returned, accepted, and tabulated before the state notified us that the voter was ineligible. We removed the voter's credit, made the voter pending again, but were not able to identify the ballot that had already been tabulated.
