This list is not comprehensive. Please refer to online resources for more options or call for the most up-to-date information. For example, additional dump stations are located at several Olympic National Park campgrounds throughout the county, **but are for registered guests only**. For further information, visit <https://www.nps.gov/olymp/planyourvisit/index.htm> or call (360) 565-3130.

* Fees are subject to change. Always check with station for current rate.
 **No separate dump station, individual hook-up only. Must be a guest to dump waste.

Clallam County is home to a wide variety of recreational activities. From the Olympic Mountains to the pristine rain forests, it is everyone's responsibility to practice good stewardship of this area. Help keep the Peninsula beautiful! Dump RV waste appropriately. Please use the enclosed map to locate RV dump stations within the County and adjacent areas and properly dispose of your RV waste.

Be aware that gray water, just like black water, contains harmful bacteria and must be disposed of in a dump station.
