Freshwater Bay

Lower Elwha Klallam Tribe

Port Angeles

Observatory Point

Angeles Point

Coville Creek

Elwha River

About the Map

The information depicted on this map is intended to be used with the Shoreline Master Program (SMP). The shoreline environmental designation and jurisdictional boundaries shown are based on the approximate location of the ordinary high water mark, 100-year floodplain, and associated wetlands. The maps are intended for planning purposes only and do not identify or depict the precise lateral extent of shoreline jurisdiction or the location of all associated wetlands and critical areas regulated by the SMP. Interpretation of the maps requires professional judgment and site-specific information as to the actual physical location of shoreline jurisdiction, floodplains, wetlands, critical areas, and other such features. The designations assigned to each shoreline reach shall apply throughout the full jurisdictional limits set forth by the SMP, as determined on a parcel-by-parcel basis at the time a shoreline use/development is proposed. In the event of a mapping error or discrepancy, the text of the SMP and applicable authority of RCW 90.58 and WAC 173-26 shall prevail.

Environmental Designations		Shoreline Environmental Designations (SED) Map		Other Designations	
	Natural SED		County Boundary		Cities
	Resource Conservancy SED		Feeder Bluff - Exceptional		Tribal Reservation & Trust
	Shoreline Residential-Conservancy SED		Feeder Bluff - Other		State and County Parks
	Shoreline Residential-Intensive SED		Other Unstable Bluff		Olympic National Park
	Marine Waterfront SED		Non-SMP Stream		Olympic National Forest
	Aquatic (includes marine waters) SED		Associated Wetlands		Parcel Boundaries
			Highways and Roads		20 cfs
					1000 cfs
					USGS point
					Olympic Discovery Trail
