

**No Net Loss (NNL) Work Group  
Meeting #2 Agenda**

**Clallam County Courthouse, Port Angeles**

**August 18, 2011**

**10:00-2:00**

The purpose of the meeting is to update work group members on the County's no net loss approach and seek feedback on indicators and related information presented in the draft Inventory and Characterization Report (ICR).

10:00 Welcome and Introductions

10:15 Background and Context

- What did we hear at the initial NNL work group meeting?
- What have we heard from the public and other stakeholders about no net loss?
- How are we addressing the input we have received?

10:45 No Net Loss framework review and discussion

11:15 Reach examples

- Current conditions and functions – key discussion questions:
  - Is our description complete, accurate?
  - How does the broad description of conditions and functions relate to indicators?
- NNL Indicators – key discussion questions:
  - How will we use a change in indicators to assess our management strategies and adaptively manage shorelines?
  - How do we use an assessment of conditions, projected change, and risk (of losing function) to tailor our management approach
