

Clerk's Notification – May 23, 2022

Since we went live with E-filing in Superior Court it became apparent that after e-filing parties still needed a fast way to provide copies of proposed orders and bench copies to the Court. We are now allowing e-submission of those documents. Please see the information below.

E-Submission of your Bench Copies/Orders: For a fee (see the table below) bench copies and orders can be submitted through the Clerk's E-File Portal. Please submit these as one document in .pdf or .tif format. The Clerk's office will provide your bench copies/orders to the Court on your behalf; after doing so they will not be retained by the Clerk's Office. Please contact us at web_clerk@co.clallam.wa.us, to notify us so we can collect the appropriate fees prior to your E-Submission.

First 100 pages	\$10
